Work Experience

Frontend Developer

May 2024 - Nov 2024

Jakom Tech | Full Time Remote (Qatar)

Started as a freelance frontend developer at Jakom Tech, where I worked on a website project using **React.js**, **Tailwind CSS**, and **RESTful APIs**. After successful delivery, I transitioned into a full-time role, focusing on building and enhancing web applications with **React.js**, **Next.js**, **TypeScript**, and **Tailwind CSS**.

After 3 months, I expanded my role into full-stack MERN development, using **Node.js**, **Express.js**, **MongoDB**, **Mongoose**, and **Next.js**. I contributed to optimizing application performance and building scalable, maintainable codebases for production.

Frontend Developer

Dec 2023 - Apr 2024

Softa Solutions | Full Time Remote (Egypt)

Contributed to multiple small and medium-sized projects using **React.js**, **Tailwind CSS**, **Bootstrap**, and **RESTful APIs**. Worked closely with the team to deliver fully **responsive websites** on time, focusing on **performance**, **accessibility**, and engaging **user experience**.

Frontend Developer (Freelancer)
Cleverness Agency Company | (Saudi Arabia)

Oct 2023 - Dec 2023

Joined as a freelance frontend developer to improve the website's responsiveness using **HTML**, **CSS**, **JavaScript**, and **Bootstrap**. Successfully completed multiple projects, leading to ongoing collaboration and repeated requests for additional work due to high-quality delivery.
